designer_1 one of your pass words. Lets get directly to purpose. No-one has paid me to check you. You do not know me and you are most likely thinking why you are getting this mail?

actually, i placed a malware on the adult streaming (porn material) site and do you know what, you visited this site to have fun (you know what i mean). When you were watching videos, your browser started operating as a RDP having a keylogger which gave me accessibility to your display screen and cam. after that, my software program collected every one of your contacts from your Messenger, Facebook, as well as email . after that i created a video. 1st part shows the video you were viewing (you've got a nice taste lol), and next part displays the recording of your cam, & its u.

You actually have two options. Lets go through these possibilities in particulars:

First alternative is to disregard this email. in this case, i am going to send out your videotape to all of your contacts and then you can easily imagine regarding the disgrace you can get. and consequently in case you are in a loving relationship, how it can affect?

Number 2 option should be to compensate me \$7000. We are going to describe it as a donation. as a consequence, i will straight away delete your video recording. You can carry on daily life like this never happened and you are never going to hear back again from me.

You will make the payment via Bitcoin (if you don't know this, search for 'how to buy bitcoin' in Google).

You have 48 hours in order to make the payment. i've a unique pixel in this email, and right now i know that you have read this e-mail. if i don't get the BitCoins, i will definitely send out your video recording to all of your contacts including friends and family, co-workers, and many others. Nonetheless, if i receive the payment, i'll erase the recording immediately. it is a non-negotiable offer, and thus please don't waste my time and yours by replying to this e mail. if you want to have evidence, reply Yea! & i will certainly send out your video to your 7 friends.
